We want to take a moment to say how happy we are that you are considering Highwood College as a place where you will be able to train for God's service.

Highwood College offers you a unique opportunity to focus on the spiritual qualifications you will need as well as the practical application of the principles you will learn. To undertake training at Highwood College is a calling from the Lord. Students at Highwood College have a special place in God's work, both while in training and when they graduate.

May the Lord bless you as you fill out your application, and may the Holy Spirit lead you in preparing for the highest service both here on earth and in eternity?

Yours Sincerely,

Darren Higgins

Each student is expected to spend a minimum of 14 hours per week in useful labour as part of their overall Education. Credit is given for overtime work.

Each student is expected to actively participate in community service programs as a part of the outreach class requirements.

Dating and/or courting of unmarried students while training for a life calling distracts from the total commitment needed to meet educational goals. Flirting and close friendships between men and women decrease propriety and Christian reserve and contribute to infatuation.
